

*You can't be the best,
if you're only the same!*

We're here to help.

The Coronavirus (COVID-19) pandemic has brought a lot of change and uncertainty in a short amount of time. Rest assured, even with the recent "Safer At Home" order by Governor Evers, Oak Bank is an essential business and we remain open and are here to help you.

For the safety of our clients, team, and the community our lobby is temporarily closed and will reopen on May 4. Our drive-thru service will remain open. Through it all, we're still open and ready to help with any financial assistance you need during this uncertain time.

If you haven't already, accessing your accounts electronically is easier than you think. Download and start using our mobile banking app. If that sounds daunting, call us and we will walk you through it. Desktop or laptop online banking is also a safe and easy to use option for reviewing your account activity, make transactions, transfer funds, and making payments. Feel free to call us to get help getting started.

You can do all the following online or by phone at 608.441.6000:
