

*You can't be the best,
if you're only the same!*

Coronavirus Precautions and Advice

Oak Bank is closely monitoring the evolving circumstances related to the Coronavirus (COVID-19). We are monitoring the Centers for Disease Control and Prevention (CDC), the World Health Organization (WHO) and our local health departments. Oak Bank is following their guidelines for the prevention and spread of the virus. While the actual impact of the evolving Coronavirus is unknown at this time, we have proactively reviewed our Pandemic and Business Continuity Plans.

Please keep in mind that there are vulnerable people in our community, and if you come to our bank while contagious, it is certain that you will put them at risk. Nothing is more important than the health and safety of our clients and associates. Help keep Oak Bank a healthy environment for all. Please wash your hands regularly and use hand sanitizer if possible.

Oak Bank, like most financial institutions, has invested in digital technologies. By leveraging secure digital technologies, you can do your banking remotely by using the consumer and business products below. Follow the links to learn more about them.
