

*You can't be the best,
if you're only the same!*

Oak Bank is OPEN but our lobby will be closing as of Thursday March 19th and suspending all Saturday hours.

Oak Bank is concerned for the health and well-being of our associates, our clients and our community. As the coronavirus outbreak continues to evolve, we are continuing to monitor and follow the guidelines being issued by the Centers for Disease Control and Prevention (CDC), the World Health Organization (WHO) and our state and local health departments.

We are committed to doing everything possible to meet the ongoing needs of our business and individual clients. However, we are implementing some small changes to the way that we serve you.

In order to minimize unnecessary person-to-person contact and help reduce the spread of the virus, we are closing our lobby (until further notice) effective Thursday March 19. Our associates will continue to be available by phone and email during normal business hours (Monday - Friday 8:00 a.m. - 5:00 p.m.) to assist with wire transfers, ACH transactions and other needs that you may have. Our drive-thru will be open during these same business hours to serve you as well. In-person meetings, if necessary, are available by appointment. We are suspending all Saturday hours (lobby and drive-thru) until further notice.

For your convenience we offer many electronic banking services including [online banking](#) and [mobile banking](#), [remote deposit capture \(business\)](#) and mobile deposit ([consumer](#) and [business](#)), [electronic bill pay](#), [ACH](#) and [person to person electronic payments](#). You can [apply for a home loan](#) and [open a consumer deposit account online](#) by going to our website www.oakbankonline.com.

These changes are being made for the safety of our clients and to ensure that our associates remain healthy and available to serve you during these challenging times. Your relationship is very important to us, so please call us if you have any questions or concerns. Be well!

Your friends at Oak Bank.
