Here's what we all can do:

- 1) Wash your hands with soap and water for at least 20 seconds.
- 2) Use hand sanitizer with at least 60% alcohol.
- 3) Cover your cough or sneeze with a tissue, then throw the tissue in the trash.
- 4) Keep your T-zone hands free. Avoid touching your eyes, nose, and mouth.
- 5) Disinfect every day items like your debit and credit cards, wallet, and mobile phone.
- 6) Call your doctor if you're feeling unwell and stay home.
